Marriage and Family Therapy is a profession that leads to licensure in all 50 states; however, each state has its own law and regulations about what is needed to become licensed as a MFT in that state.

Not every state will accept a degree and supervised hours earned in another state. Review license requirements in the state you intend to practice as soon as possible so that you understand what may and may not be accepted across state lines. Here is the link to each state's licensure resources: [MFT State/Provincial Resources](#) (AAMFT.org).

The coursework for Louisville Seminary's MFT Program was designed to meet MFT licensure requirements in the state of Kentucky. You may read more about the state requirements for MFT licensure in Kentucky by clicking this link: <https://mft.ky.gov/>.

If you have questions about the program's alignment with professional licensure you may contact the Program Director: Dr. Loren Townsend at ltownsend@lpts.edu.

Please sign this form and return with your program admissions application.

I acknowledge that I have been informed and am aware that licensing regulations differ across states and provinces. I understand that the MFT Louisville Seminary program is designed to meet the licensure requirements in the state of Kentucky, and that an MFT degree from this program may not meet MFT licensing requirements in a different state.
