

# The Seminary Times

May 17, 2019 | Volume 64, No. 38

There is a good reason they call these ceremonies “commencement exercises.”  
Graduation is not the end; it’s the beginning.

## 2019 Festival of Sacred Music

On May 10, 2019, Louisville Seminary hosted its annual Festival of Sacred Music. The service featured readings from Holy Scripture and Howard Thurman in honor of President Alton B. Pollard III as well as songs, hymns and spirituals from across the globe. The Louisville Seminary Choir is under the direction of Louie L Bailey.

# Notes from the Academic Support Center (ASC)

We Made It!!!!

YOU made it!!!

Another academic year is in the books!

It's been a year of many changes, much joy, and a few hardships.

With God's help, we prevailed.

We celebrate our friends and community members who graduate on Sunday!

ASC has had a wonderful year. Approximately 50% of our students dropped by the center for assistance. Countless others came by for a quick question, a handout, or just to visit (can you say "Snacks"?). We have had over 425 contact hours (when a student comes in and sits down) this school year!

The ASC is still open daily (except Mondays) through the end of May.

**Beginning June 1 and through July**, Beth will be in the center on Tuesdays from 10-4.

Stop by and say "Hi," get some feedback on your summer assignments, or brush up on your reading/writing/study skills.

Beth will also be available by email. Reach out if you need academic support.

**In late August/September**, we'll again offer **Writing Tables** – 90-minute workshops on various reading/writing/studying topics.

Don't forget that you can access many of our handouts through the OWL (online writing lab) [here](#).

**Tip for the summer:** The best way to increase reading speed, expand vocabulary, write effective papers, and read more analytically is to READ.

Read anything: fiction, nonfiction, poems, magazines, journals, or newspapers.

Read for fun. Read to relax. Read to learn. Just read.

Have a great summer!

# From the Facilities Department

## BIKE SHED CLEANING | Wednesday, May 22, 2019

The Facilities Department will be doing the semi-annual cleaning of the bike shed located on the Housing side of campus. If you own a bike, please tag it to identify it as yours before noon on Wednesday, May 22. The shed is scheduled to be cleaned the next day, and any bikes that are not tagged will be brought to the Facilities Department where they will remain for approximately 48 hours. Anyone who needs to claim their bike can come to the Facilities Department during that time to retrieve it. After the 48-hour period, unclaimed bikes will be donated to charity.

**Tags may be copied from sample below or picked up at the Facilities Department.**

Please tape one of the tags to each bike that you own. If you know of anyone who is out of town and may not receive this message, please call Facilities at extension 387 to let us know. We appreciate your help and cooperation!

REMINDER: BICYCLES ARE TO BE STORED IN THE BIKE SHED OR INSIDE EACH RESIDENT’S APARTMENT ONLY. THEY ARE NOT TO BE LEFT OUTSIDE IN WALKWAYS, UNDER STAIRS, OR EGRESS PATHS.

## CHECK-OUT INSPECTIONS

For those of you who will be moving out of your campus apartment, the Facilities Department wants to remind you to call or email us to schedule your check-out inspection. This must be done to ensure the return of your deposit when you began your lease. We check for cleanliness of the entire unit including the bathroom sink, toilet, and tub, as well as the refrigerator and stove both inside and out. We also check the condition of screens, blinds, cabinets, countertops, walls (holes from pictures, mirrors, etc.), as well as fixtures and furniture provided in the studio/efficiency units. It is preferable to schedule the check-out as close to your departure as possible so we can ensure all above items are completed and to ensure prompt return of any deposits. It is not necessary that the unit be completely empty for check-out.

**Also, please be sure you also clear out your storage unit. Any items left will be discarded.**

If possible, we would greatly appreciate it if you could schedule your check-out a week in advance.

The Facilities Department is available to conduct check-outs **Monday thru Friday, from 8:30 a.m. – 3:30 p.m.**, excluding lunch from 12-12:30 p.m. We will begin recognizing Fridays off for the summer on May 24, therefore **we will not be available for check-out inspections on Fridays after that date.** If you have any questions, please let us know.

To schedule a check-out inspection, call Facilities at (502) 992.9387 or email [facilitiesworkorder@lpts.com](mailto:facilitiesworkorder@lpts.com).
